Nick Griffin, leader of the British National Party, used to deny that Hitler's regime killed six million Jews and others between 1933 and 1945. Mr Griffin now says that he has changed his mind and accepts that the holocaust did take place. Which of these statements comes closer to your view?

Mr Griffin is still at heart a holocaust denier and only pretends to have changed his views to make the BNP appear more moderate	69	67	78	82	68	69	69	66	70	70	67	74	64	69	68	78
